

THE VOLCANO HAS SPOKEN! And it said that sometimes if you listen to someone else talk very closely you can pretend that they are a puppet and you are controlling everything they say.

STRAIGHT FACED: Set the timer and keep a straight face while your opponents verbally assault you with one or two funny words at a time until the timer runs out. No laughing, no smirking, this is serious.

DRAW 1 **GUESS WHAT? YOU CAN ACT.** Draw 1 word from the volcano and keep it hidden. Set the timer and act out your word without talking.

TRUTH or FICTION? When I get stuck in the bathroom without toilet paper I ...

DRAW 2 **YOU ARE...** a WAITRESS at a diner, and when things are busy you don't have time to explain every dish. Tell the new short order cook what you mean when you ask for a "messy ___ with hot ___ in a blanket."

YOU ARE HARD OF HEARING.

Whenever someone asks you a question or talks to you, say "Huh?" to get them to repeat what they just said. Keep doing it until your next turn or until someone asks you to stop it. If you do this, move ahead 3 spaces.

TOP SECRET. DO NOT READ OUT LOUD.
