The Ultimate
Dictatorship Card Game

How to play QUAO

Pretty simple, but you gotta pay attention to outwit the QUAO:

1. Separate black QUAO cards and DO NOT READ.
2. Deal each player five white cards, play moves to the left.
3. Your turn! Pick a card to discard, read it out loud and do what it says.
4. First player to discard all their cards wins round 1 and becomes the QUAO.
5. During rounds 2-5, only the QUAO selects a new Secret Rule to enforce.
6. Everyone else has to pay attention and figure out what the Secret Rules are to outwit the QUAO and win!
