3 GIFTS FOR TWEENS

Quelf, \$29.95

In this game, players start acting strangely as they move across the board. Mom's face is wrapped in toilet paper, Dad is talking like Dracula, and big sister is sitting under the table until someone rolls a 4. Grandma's shoelaces are tied together and she has a belt cinched around her head like a ninja. Answer trivia questions and complete random acts of creativity and humor to win. Recommended for age 12 and older.
